The Greater Binghamton Chamber is pleased to offer its members an opportunity to promote their businesses through a Member-to-Member Discount Program. The program is designed to encourage chamber members, and their employees, to do business with other members. It is not intended to endorse a particular product or member firm, but to promote member-to-member relationships.

Participants in the Member-to-Member Discount Program agree to provide all Chamber members, and their employees, specific discounts on a variety of goods and services.

A current list of all participants in the Member-to-Member Discount Program is listed on the Chamber's website at www.greaterbinghamtonchamber.com (*“Member-to-Member Discount” on the Membership Tab, then click on Special Offers*), Facebook and listed regularly in other Chamber publications.

To participate, merchant members must enter into an agreement with the Chamber to provide its members, and their employees, discounts on purchases generally not available to the general public.

Participation in the Member-to-Member Discount Program represents an excellent marketing opportunity for our members. The program and its participants will be promoted on the Chamber's web site and publications. Approximately, 50,000 Member-to-Member Discount Program membership cards will be issued.
